VERY LATEST NEWS.

BY ATLANTIC CABLE

From South America.

LONDON, July 39.

curtier advices from Blo Collacto autounce the full of the Paraguayan Fatters of Humatia.

Mr. Train appeared in public before the Cours of Bankruptey to-day; us his papers were not pre-ented. In the proper form the Court refused o hear the case.

WASHINGTON.

Wasting ros, July 30.

The Postmaster General Las postponed diff
October his decision on the bids for supplying
the department with stamps.

the department with tramps.

Trenty with Endium.

The Senate hefore adjourning ratified treaties with the Pottawotimies, Sacha and Foxen of Kanzas, the Northern Cheyennes and Araphoes of Robasska, and the Newsloos of New Mexico. Also the following mude by the Peace Congress: The Cheyennes, Araphoes, Khowas, Camanches, Appoches, the Krowns and Camanches of Kansas, and the Crew Indians of Montana. The treaties adjust many pouris of difficulty and stipulate for permunral peace. The Senate failed to rathly the treaty made by Gen. Sherman with the Windop and Sciavnes Indicate.

Triadeus Sevens has written a letter, which will be made pubee, showing that the question as a what the 5-20's should be paid in gold or paper, has been wisely settled by the passage of the Finding bill, which account extens, such as the position that the live authorizing the issue of those bonds provided bey should be paid in paper. He orgen those holding 5-20's to exchange them for the new honds.

Out of Commission.

It consequence of the set of Congress in ma-king a large reduction in the force of scannen empowed in the New, Serreary Wells has given direction for beinging frome well putting out of commission a manuscroft viewers doing service abroad. It is not yet known what vessels will come home, as they will be those which can be disjoined with by the Commodore of the squadroit of which they are acticled. The crews of vessels thus pur out of commission will be discharged and the officers pheed on other duty.

Proceedings 1.115 [111] [111]

Paper Collar Littigation.
The protracted Higgation between S. W. H. Vard and other paper collar managacturers, and the Union Paper Collar Company has virtually termit doil by the reliast of the Cummissioner of Patents to extend the patent of the Union Paces.

An Origina despatch says. Lottes, July 30, there is no word there from Wood River, Nebraska, that a large annual of Sours and Cheyence Indians had attacked a small party of Fawnee conts under Livet. Hawley, kiling a Fawnee and wounding Hawley and served of the scents, and captured some arms and equipments.

NAN PRANCINGO.

SAN FRANCISCO, July 29, General Hallock and staff salled for Star to-day, on the steamer Facific, for a lour of magnetion of the military posts of Michael fire Parific carries a cargo of ordinance, commissary and quarter-mestor's stores.

NEW YORK.

Liemeral News.

New York, July 30.

The Hersid's Ponsons correspondent says: The news is somewhat unfavorable for the Revolutionists. Large bodies of Conservatives on assembling in the Interfor which so abrused the Provisional President that he is atraid to make a movement in any direction.

Gen. Mosquera is expected to return soon from his boulshment, and as he has already a considerable party in his interest it is probable he will place himself at the head of the Government.

The Peruvisus seem likely to be spared for some months to come.

The movement in favor of Prado has come to magit, and the people are turning to other matters than fighting. Their moneany affairs are in a bad way. The treasury is nearly empty and the Government is deeply in debt.

Peru appears disposed to accept the mediation proflered by the United States to adjust her difficulties with Spain without regard to the wishus of Chill.

The Horald's Chill correspondent says: The

culties with Bpain without regard to the wisins of Chili.

The Horald's Chili correspondent says: The Congress of Chili is actively engaged in perfecting measures of great public benefit. Imprisonment for debt has been aboilabled, and the Government is preparing to offer great Inducements of emigration. Business is active and increasing. The fortifications of Valparies are completed and the city is considered almost impregnable.

The match race between the yacits "Mattie" and "Martha" yesterday resulted in the eleptiof

The match race between the yachte "Mattie" and "Martha" yesterday resulted in the defeat of the "Martha," the "Mattie" winning by one inhinte and 25 seconds. An accident happened to the jin of the "Martha," or it is likely the tables would have been turned.

The yacht "Sopht" left brooklyn yesterday for Cower, England. Arriving at the Hook the wind was considered an favorable for an immediate start upon her long set voyage, and the "Sopha" accordingly removed and east her archor within the Horse Shoet awaiting a favorable wind.

Great preparations are being made for the annual crube of the New York Yacht Squadron, which will rendersonz at Gien Cove, on the San of August. Seventient vachts are stready entered.

annot be intruded now, to the prejudice of party interests in the approaching contact. Of course we could serure a victory in this Datrict with almestany and date, but we not the morel support of in overwhelming tramph, and ought to leave nothing undone to a cure it. In the coming electrons the people will again pronounce udgment upon the rebellion, and those permit lous and disorganizing principles which gave it rise. They will say by their bailots whether they will again trust with political power those men who, both as individuals and as a party, have

South, striking hands with their well known aympathizers North, upon the revolutionary de larations of Seymour and Blair DOTY & BUTIER have Gardiner & Phipps col-

verument in the interest of their party than to

ple is so clearly and sharply defined that it is not

possible to overlook it. If there was no other
